Lesson 2 Coding Activities

Download the zipped .java starter files with the program templates, and use them in DrJava or an IDE of your choice, to get a head start on the activity.

Come to the forum with your questions and to share your test cases.

1. Print the following shape:

   ```
   /\
   \/
   ```

   (Note you will have to use escape characters to make this work.)

2. Using only one "System.out.print" command, print the following quote. Make sure to include the quote marks (") in your output.

   "I do not fear computers. I fear the lack of them."
   Isaac Asimov

3. Write the code to output:

   ```
     _
    / \
   |   |
    \_/
   ```
